The Iowa Residential Utility Disruption Prevention Program provides eligible households with up to \$2,000 towards electric, natural gas and water bills if they are at risk of disconnection due to an inability to pay due to a COVID-19 related loss of income. Payments through the program will be made directly to utility providers and applied to the applicant's account.

The application deadline is November 20, 2020.

Add a
"PS"....

To help a neighbor

"PS" is Project Share – a program that assists needy households in paying their winter energy bills. You can help this effort by adding a regular Project Share contribution to your utility payment, or by making a direct donation to Project Share. These funds are distributed to your neighbors in need.

A local social service agency carefully identifies those residents who qualify, and a local committee oversees Project Share to guarantee that all contributions are handled equitably and efficiently.

Adding a "PS" – a Project Share contribution to your utility payment each month is a simple way to share some warmth with those who need it.
